

NEW! Gulfstream™ 350 Blower

The new Condux Gulfstream 350 Fiber Optic Cable Blower is all pneumatic, eliminating the need for a hydraulic power source. Featuring user friendly controls and real time data, the Gulfstream 350 will install fiber ranging from 0.16" - 0.62" (4 - 16mm) into duct ranging from 0.50" - 1.25" (8 - 42mm). Specific job requirements are easily accommodated by simply interchanging duct and cable clamps.
