

# STRAPPING TAPE AND STAND

The Geco Tape Stands, manufactured by Powerhouse Electric, is for dispensing strapping tape, coming complete with a feeder and brake. The frame is fabricated from steel in our Auckland Factory and then electroplated for protection.

The strapping tape is often used as a Drawline for new Ducting. To Load it into the Tape Stand, unscrew the spool, fit the tape in and feed it through the guide. This allows the brake to work. These stands will hold a 1000m x 12mm or 19mm strapping tape.

CODE	DESCRIPTION	DIMENSIONS L x W x D	WEIGHT
30032	19mm x 1000m Grey Tape	450 x 120 x 120mm	10.8
30031	12mm x 1000m Blue Tape	305 x 120 x 120mm	2.95
30030	Blue Tape Dispenser	630 x 360 x 635mm	6
30364	Blue Tape Dispenser w/Wheels	700 x 360 x 635mm	7

**Grey Strapping Tape**

Powerhouse Electric also supplies optional Polypropylene tape, which is strong, flexible, lightweight, and easy to use.

**Blue Strapping Tape**
